General Information

REGISTRATION INFORMATION

If you pre-registered for ProMat 2025, you should have received a registration confirmation email. Bring it to a registration kiosk when you arrive at McCormick Place. There are scan and go badge pick up counters located in registration at the South Building room S102; in the Lakeside Building in the lobby of level 2; and in the North Hall lobby on level 3.

If you did not pre-register, proceed to one of the main registration counters in South Building, Level 1, Room S102 or Lakeside Building, Level 2 lobby. Attendee registration hours are 8:00 AM to 5:00 PM Monday through Wednesday, and 8:00 AM to 12:00 PM on Thursday. Lost badges may be replaced at main registration.

FOOD SERVICES

The ProMat Bistro is conveniently located on the show floor at the back of the Lakeside Hall. The Bistro serves a buffet lunch for \$39 for pre-purchased tickets and \$42 for onsite meal sales from 11:00 AM to 2:30 PM Monday - Wednesday and 11:00 AM to 12:30 PM on Thursday. Food court areas are located within McCormick Place South. In addition, cafes and restaurants are located throughout McCormick Place. Be sure to check out the ProMat Pier in Lakeside for Chicago neighborhood themed foods!

PRESS ROOM - ROOM N427D ON LEVEL 4 OF NORTH BUILDING

The Press Room is open during show hours. Members of the working press are encouraged to visit the Press Room to obtain exhibitor materials and notices of press conferences and photo opportunities. Members of the press receive complimentary admission to the show and conference and must show their credentials at the Press Room. If you are a member of the press and have not pre-registered, go to the Press Room to receive an admission badge.

EXHIBITOR SOLUTION LOCATOR KIOSKS

ProMat Exhibitor Solution Locator kiosks are near the show floor entrances. These tools provide a road map of the show floor to help attendees find particular products and exhibitors.

Four Cutting-Edge and Inspirational Keynote Talks

All keynotes are located in the Grand Ballroom S100

MONDAY, MARCH 17 • 9:00 AM
PAUL ZIKOPOULOS

THE DATA EFFECT: THE PRICE OF NOT KNOWING

Today's competitive advantage for supply chains lies in data. During this insightful keynote, join data expert Paul Zikopoulos as he discusses the price of not knowing what your data can tell you. He will break apart the roles of data collection and decision-making to demonstrate the risks of walking by solvable problems and leaving opportunities on the table — opportunities that are disrupting industries and creating a tangible competitive advantage. Learn how these forces are driving innovation and how data and emerging technologies are shaping the future of supply chains and how we interact with businesses and each other.

Paul is an award-winning tech thought leader and writer who has shared his expertise on AI and big data on *60 Minutes*, as well as in publications such as *Technopedia* and *Analytics Week*. He has published 21 books, including *Cloud Without Compromise* and *The AI Ladder*, and more than 360 articles. Among the leading voices in tech and big data, Paul has been named in dozens of global "Experts to Follow" and "Influencers" lists, including *Analytics Insight's* "Top 100 Global AI & Big Data Influencers" and SAP's "50 Big Data Twitter Influencers."

TUESDAY, MARCH 18 • 9:00 AM • AZEEM AZHAR

THE AI OPPORTUNITY FOR SUPPLY CHAINS

Get front-row insights into AI's impact on supply chains from seasoned tech visionary and host of Bloomberg's *Exponentially* Azeem Azhar. Drawing on deep insight, academic research and practical knowledge, this talk will be a masterclass in transforming AI complexities into clear, strategic advantages for your supply chain operations.

Azeem is considered one of the world's most influential thinkers on the impact of technology on humanity. The founder of the *Exponential View* newsletter and podcast, he is known for his invaluable insights and original perspective, he regularly advises politicians, business leaders and the public on the challenges and opportunities presented by AI and other emerging technologies.

He is a visiting fellow at the Oxford Martin School, an executive fellow at Harvard Business School, and the co-chair on the Global Future Council on the Future of Complex Risks at the World Economic Forum.

80 YEARS OF MATERIAL HANDLING AND SUPPLY CHAIN LEADERSHIP

At MHI, our first and only priority is giving supply chain professionals access to the solutions they need to be successful. For 80 years, we've been staging trade events in pursuit of this goal. Today, both MODEX and ProMat are widely considered the industry's premier "must-attend" manufacturing and supply chain events. Learn more at mhi.org.

MHI Innovation Award At ProMat

The MHI Innovation Award serves to educate and provide valuable insights on the latest manufacturing and supply chain innovative products and services. The contest defines innovation as a new product, product line, technology or service or new application of existing products or technology that creates quantifiable and sustainable results in terms of ROI, cost savings, customer satisfaction, etc.

All innovation award submissions will be showcased at McCormick Place during ProMat 2025. The award winners will be announced on March 19 during the MHI Industry Night with comedian Jay Pharoah at ProMat 2025. **Finalists are listed in bold.**
